Sir:

This responds to the Examiner's Office Action dated May 21, 2002.

Applicant notes that the Examiner's Interview Summary of July 22, 2002 confirms that the Office Action mailed May 21, 2002 was a non-final Office Action.

This also addresses certain typographical errors in the "Remarks" section of the Amendment mailed February 4, 2002. Because those errors were not within the specification, abstract, or claims of the application, Applicant merely addresses them

within the "Remarks" section herein.
